

The Mendip suite is a private practice clinic, incorporated into the Surgery at Pudding Pie Lane. Our fully qualified complementary therapists offer a wide range of services to suit individual needs.

Conveniently situated just off the A38, yet in a tranquil rural setting, the Mendip Suite welcomes you into a relaxing and comfortable waiting area, where you can enjoy complimentary refreshments whilst looking forward to the personal care and attention you will receive from our dedicated therapists.

For more information about services, or to book an appointment please contact the below practitioners.
